This portal will allow you to complete your pre-surgical questionnaire online instead of answering these questions over the phone. When you complete the online questionnaire, your responses will be reviewed by a nurse, who will contact you by phone if there are any additional questions.

You will also have access to your pre-surgical instructions and can access them at any time by clicking on the link in the email or text message.

- **Do I need to download an app for this?**
No, by clicking the link in the email or text message, you will be brought to the login screen in your web browser.
- **Do I need to create an account and a password?**
No, your secure link will allow you to log in using your name and date of birth.

A screenshot of a patient sign-in portal. At the top, there is a decorative image of a white and yellow flower on dark grey stones, with the text 'POWERED BY SIS' in the bottom right corner. Below the image is the logo for 'RALEIGH NEUROSURGICAL & SPINE SURGERY CENTER'. The main section is titled 'Patient Sign In' and contains three input fields: 'Patient's First Name', 'Patient's Last Name', and 'Patient's Date of Birth'. Each field has a small icon to its left. At the bottom of the form is a pink 'Sign In' button.
